A hand is holding a black smartphone. The screen of the phone displays a text message that reads: "Switched on Homes - Perth is using a lot of power today! To do your bit please minimise your power use between now and 8pm. Try cooking with gas, turning your AC to 24 degrees or better yet use a fan." The background of the image is a light-colored, textured surface.

Switched on Homes  
- Perth is using a lot  
of power today! To  
do your bit please  
minimise your power  
use between now  
and 8pm. Try  
cooking with gas,  
turning your AC to  
24 degrees or better  
yet use a fan.
